STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Gilsum, in the County of Cheshire, State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town of Gilsum on Tuesday the fourteenth day of March next at one of the clock in the afternoon to act upon the following subjects:

To choose all necessary Town Officers for the year ensuing.

Polls will remain open until six-thirty of the clock in the afternoon.

The Business meeting will be called to order at seven-thirty of the clock in the afternoon to act upon the following subjects:

1. To see if the Town will vote to appropriate from surplus funds the sum of \$2,000.00 to be deposited in the Capitol Reserve Fund for the construction of a new library.

2. To see if the Town will vote to appropriate from surplus funds the sum of \$2,000.00 to be deposited in the Capitol Reserve Fund for the purchase of a new Fire Truck.

3. To see if the Town will vote to appropriate the sum of \$415.00 as it's share of the operating cost of the Elliot Community Hospital.

4. To receive the report of the Budget Committee and act in any manner relating thereto.

5. To raise such sums of money as may be necessary to defray Town charges and make appropriations of the same.

6. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

7. To see if the Town will vote to appoint a committee to take charge of the observance of Memorial Day.

8. To see if the Town will vote to authorize the Selectmen to sell all pieces of real estate, either by auction or private sale, now acquired by tax deed, or act in any manner relating thereto.

9. (By request) To see if the Town will vote to permit supervised camping on the Town grounds at the Rock Swap for a period not to exceed three nights; also to see if the Town will vote permission to erect "temporary facilities" for use of campers, said facilities to be removed from the grounds within one week after Rock Swap.

10. (By request) To see if the Town will vote to authorize the Planning Board to approve or disapprove new subdivisions and plans thereof, showing streets, or the widening thereof, or parks, and upon adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Cheshire, a certificate showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Section 19-29 inclusive, Chapter 36 of New Hampshire Revised Statutes Annotated 1955. If said article is adopted, it shall further be the duty of the Town Clerk to issue all certificates of failure when the Planning Board shall fail to take action as provided in Chapter 36, Section 19 to 29 inclusive.

11. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and sixty-seven.

AUDITORS' REPORT

Town of Gilsum, N. H.

We hereby certify that we have examined the vouchers, checks, records of receipts and disbursements, financial and bank statements of the Selectmen, Treasurer, Tax Collector, Trustees of the Trust Funds, and Town Clerk for the year ending December 31, 1966. We have verified the existance of stated cash balances, inspected all securities and bonds and have found everything to be in order.

LIBRARIAN'S REPORT

A total of 458 books were added to our library in 1966. New ones were added through our usual purchasing plan, and we took advantage of the book sale at Tildens. Many donations of excellent books were made by the following: Mr. and Mrs. Towns, Mr. and Mrs. McHoul, Mr. and Mrs. Saltz, Mr. Pottsberg, Mrs. Tillson, Lois Wright, Anne Cookman, Ruth Maine, Winifred Schmitz, Florence Cooper, Hedda Acclan, the Keene, Fitzwilliam, and Moultonboro Libraries. Circulation figures are Children fiction 1572, non-fiction 795 for a total of 2367, and Adult fiction 1128, non-fiction 446 for a total of 1574.

In order to better accommodate the school children our afternoon hours have been changed to Mondays instead of Wednesdays. The evening hours remain the same as before.

Movies are currently being shown once a month. The films are about wildlife and travel in Canada and are borrowed from the Keene Library. The projector is loaned to us by the Bookmobile Office and is operated by Dale Johnson. The Gilsun Home has made use of our borrowing policy with the Keene Library, and has borrowed records and large print books for their patients.

I wish to express my thanks to Lois Wright who has been a great help in preparing and arranging books for the shelves.

BETTY PRATT, Librarian

LIBRARY TRUSTEES' REPORT

One of the first activities of the year was the observance, in April, 1966, of National Library Week. Mrs. Dale Johnson and Librarian Betty Pratt accepted appointments in charge of the observance. A costume contest, with prizes, was conducted for pupils in the first to sixth grades.

For the second time the Library sponsored a Rock Swap, which was held in Gilsum, June 25 and 26, with the Recreation Committee taking responsibility for promotional activities. The net proceeds from the Rock Swap and from sale of mine maps, \$163.87, are being used for completion of binding back issues of National Geographic magazines from 1915 to 1966.

The Gilsum Library received a grant of \$100.00 from the State of New Hampshire, for reference books, during the year 1966.

A new book-case was added during the year. A typewriter, needed especially for cataloguing, was also added to the Library equipment.

Movies, of travel, scenery, animal life, etc., are being shown, without charge, on one Friday evening of each month, with attendance of about 20 to 30.

Because of low demand for its services from June 15 to the reopening of school in September, the Library was closed on Friday evenings during that period.

The rules regarding borrowing were liberalized so that, under appropriate conditions, a borrower may have more than two volumes at one time.

Work of cataloguing the Library books continued through the year.

It was found necessary to obtain storage space to relieve the congestion in the Library, resulting from the acquisition, partly by gift and partly by purchase, of 458 books, during the year.

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission held nine meetings during the past year.

One meeting was held with Walter Nelson, the head of the Soil Conservation Commission for Cheshire County. Information was obtained for making a soil map of the town of Gilsum.

Work on the town maps are well under way; the aerial photo maps are completed. A base map at the same scale as the aerial map is completed. Also completed are a topographical map and a bedrock map, these are also made from the base map at the same scale. At the present time work is being done on a property lines map.

This commission is asking two hundred dollars as a working fund for this coming year to carry on with the maps and to start new projects.

REPORT OF THE FOREST FIRE WARDEN

Fire records are made by people—those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres—a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important—Instruct your children that matches are not play things.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES

District 57 fires - 55 acres

Town 1 fire - 100 sq. Ft.

PROGRESS REPORT NEW FIRE STATION

December 31, 1966

Early last May, actual construction of the new Fire Station was started.

With the help of a hired mason to supervise laying blocks, the firemen turned out every weekend and each week showed unbelievable progress.

By early June, most of the blocks were laid, and the building began to take shape.

The roof was then constructed, followed by the floor, then doors, windows etc. until the building was actually constructed except for finish work. Completion of all work including painting inside and out, heating and plumbing, landscaping etc. is expected by early spring of 1967.

We would like to thank the many people, firemen and others who contributed to the construction of the building. Our thanks to the following who loaned equipment for construction.

Neil W. Johnson — truck and tractor

Donald W. Ballou — truck

George Navish — truck and bulldozer

William Witte — Cement mixer

Blackstock-Houghton — Fork Lift

Wm. R. Schnyer, Contractor — Mortar Mixer

Haven Hall — Backhoe

Our grateful appreciation to Mrs. Ruie Britton and Blackstock-Houghton, Inc. for their generous cash donations, and to the Adams Lumber Co. for the donation of the front entry door. This project has been first of all, something which for years, many people believed impossible.

This may be the reason so many people dedicated their time and money to see it through.

Most of us who worked on it have had no previous experience, and are proud of our accomplishment.

Dedication ceremonies will be held sometime after completion.

A detailed report of expenditures follows:	
Adams Lumber Co. - roofing and supplies	\$ 2,235.46
Arthur Whitcomb - cement blocks, concrete, equipment rental and materials	2,126.56
Leonard Middleton, Mason - Masonry work	272.50
Marlow Supply - Insulation and plumbing fixtures	155.35
Elm City Grain Co. - Cement	30.00
Keene Sand & Gravel - Mortar sand	19.26
Laurence Brown - electrical fixtures & wiring	258.32
Bibeaus Hardware - paint	22.32
Keene Electric & Plumbing - Plumbing supplies and pipe	151.71
Aaron Fisk - paint	19.84
Keene Glass Co. - Glazing Compound	13.72
Rentorium of Keene - Rental of Power Trowel	12.00
Cheshire Glass Co. - Glass	87.70
<hr/>	
Spent in 1966	\$ 5,404.74
Spent in 1965	1,494.07
<hr/>	
Total Amount Spent	\$ 6,898.81
Total Amount Available	8,000.00
<hr/>	
Unexpended balance	\$ 1,101.19
Donations	\$ 150.00
<hr/>	
Carried to 1967	\$ 1,251.19

Outside Opinion

The following letter was received by Mr. & Mrs. Charles H. Towns from the prominent local Realtor, Mr. Earle C. Bishop of Peterborough.

Mr. Bishop was invited to Gilsum a few years ago to inspect our town and then at a public meeting, gave us his opinion of what could be done to make the town more attractive.

We can take great pride in his reaction to this years visit and try to continue improving our Town's appearance.

The Selectmen

October 18, 1966

Mr. and Mrs. Charles H. Towns
Surry Road
Gilsum, New Hampshire

Dear Mr. and Mrs. Towns:

Having twice had to change plans to revisit Gilsum, I found opportunity to do so last week Thursday in late afternoon.

So enthused was I to observe the improvements in appearance of buildings and houses that I cannot refrain from letting the townspeople know through whatever medium you choose, how gratifying it is to see what the property owners and citizens are doing to make this town more attractive.

Specifically: The old Legion Hall building reconditioned and painted; many homes with fresh paint, and with seemingly only one exception, evidence of neatness and pride through the village.

I toured the town in all directions, as I did on my first visit, and the contrast is clearly evident.

Gilsum is definitely on its way to improved change and growth. Keep up the good work. Commendation and congratulations to each and all.

Sincerely,

Earle G. Bishop

REPORT OF THE GILSUM REPRESENTATIVE TO THE MONADNOCK REGIONAL SCHOOL DISTRICT

This year the report will be brief, but it is interesting to make a comparison of our present school status with that of 1959. In that year we educated a total of 137 students; 106 in grades 1-8 at the local school and 31 went to high school in Keene. Recall at that time we did not pay for transportation for those students.

This past year there were a total of 194 Gilsum students in the Monadnock Regional School District. At the local school in grades 1-6 there were 96 students, and at the High School in Swanzey there were 98 students in grades 7-12.

The school budgets in these years were for 1959 a tax assessment of \$21,295.00 For 1966 the amount raised by taxes for schools was \$25,380.00. This means that the assessment for schools has risen only \$4,000 in 7 years! It further means that the cost to the Gilsum taxpayers for each student is about \$134 this current year! So although we all feel the burden of taxes on our local property, we are receiving substantial help from the state, \$56,800, in all, of which \$46,800 is Foundation Aid and \$10,000 is from a special bill which gives aid to the "twenty neediest towns," of which we are the "neediest." So we all can be thankful for the funds that are available.

However we cannot rest at this, because there is a real need for the State to assume a larger role in supporting education in towns which are in effect "bedroom towns," with little industry or business to provide a tax base. The Foundation Aid Law, on the books for a number of years has never been more than 50% funded. If the law were completely funded so that all towns making more than the \$14.00 per thousand tax effort in support of schools were completely backed by State funds, Gilsum would find the taxes eased by \$19.12 per thousand.

The costs of education are rising faster than the property value of our town. We are holding more students, who used to "Drop-Out" at a rate of 50%, through high school. These students are going to require more technical education to hold good jobs in the industries and offices in this area. The state should be in a position to fund the laws on the books to ease

the property tax burden, but to date it has been unwilling to vote laws that would make this possible.

What is needed of course is a broad-based tax, not for education specifically, but for relief of the property tax-payer. For this reason I urge you as tax payers and voters to look into this matter and urge your Representative and Senator to fight for a broad-based tax this session. Politically speaking the rural voters will be "bucking" politicians from the Cities who have a large tax base and are indifferent to tax problems of the rural areas. This is our only assurance that we will be able to keep our schools in condition to do the good job they are doing with our students.

Respectfully submitted,

JOHN C. CALHOUN, JR.
